COMMISSIONING INFORMATION

*Marking the acceptance of USS MICHAEL MONSOOR
as a unit of the operating forces
of the United States Navy*

Participation

The commissioning ceremony is an official U. S. Navy event for which there is no admission fee. Admission is, however, by invitation only due to limited seating. Invitation lists will be submitted by crew members, U. S. Navy organizations involved in the ship's construction, and the commissioning committee. The Coronado Council of the Navy League and the Navy SEAL Foundation have accepted the responsibility of sponsoring the events that accompany the commissioning ceremony. These are memorable events not only for the greater San Diego community, but especially for the members of the USS MICHAEL MONSOOR's crew and their families, and we are requesting your assistance in this effort. Your contribution will enable us to conduct these celebratory events that honor the ship, her Commanding Officer and crew and reflect the pride of our community in a ship named after a United States Navy SEAL who grew up in Southern California and gave his life saving others in Ramadi, Iraq on September 29, 2006.

If you only desire to attend the ceremony, please visit our website at monsoorcommissioning.org to request an invitation. Requests for invitations should be received at least 60 days prior to the ceremony. Invitations will be mailed about one month prior to the ceremony, which will take place in early 2019.

If you are interested in contributing to the events surrounding the commissioning, there is no need to submit a Commissioning ticket request, tickets are included with your contribution and coordinated by the Commissioning Committee. Please review the accompanying contribution levels and select one that you feel is appropriate. The events surrounding the commissioning are not paid for by the U. S. Government but are privately funded by individuals and companies through the Coronado Council of the Navy League, with the assistance of the Navy SEAL Foundation, two non-profit organizations. The beneficiaries of these funds will be the ship, her crew and their families. With your help, we will provide an unforgettable experience for you, our city and the Sailors of the USS MICHAEL MONSOOR.
